Octagona India assists its clients at every step of

BIS Certification

Anshul Sharma, Head of Business Development at Octagona India, visited Italy last month to advance several BIS projects. During his visit, the team made substantial progress on initiatives aimed at obtaining BIS Certification, a crucial

requirement for exporting to India in line with the quality and safety standards set by the Bureau of Indian Standards.

At Octagona, we always appreciate the opportunity to work closely with our clients and share our valuable insights with them at every crucial step.
