

Celebrating Together, Building Better Workplaces

This August, Octagona India brought together moments of celebration, awareness, and meaningful engagement. Our teams came together to celebrate **India's Independence Day**, with celebrations at the Delhi office and memorable moments shared by our teams in Pune and Bangalore, reflecting the spirit of unity and togetherness across our offices.

Alongside these celebrations, Octagona India also conducted a **POSH Awareness & Training Session on 5th August** at a client's premises. The interactive session focused on workplace conduct, prevention of sexual harassment, and the importance of creating a safe, respectful, and inclusive work environment through awareness, understanding, and accountability.
