

Beyond Business: Building Stronger Teams

Our HR team joined an employee engagement session at a client location in Bengaluru. The event combined an interactive Italian cooking experience, team-building activities, and an employee appreciation ceremony, creating an enjoyable environment that encouraged collaboration, participation, and stronger workplace connections.

Complementing these initiatives, our teams actively participated in key industry events to strengthen business relationships and explore new opportunities. The BIS Certification team participated in the **HGH Exhibition 2026**, where they engaged with industry professionals, discussed BIS compliance requirements, and explored new business opportunities. In addition, our team also participated in **Cosmo Tech Expo 2026** and **Pharma Pro Pack Expo 2026**, connecting with businesses, showcasing our expertise, and expanding our industry network.
